Abhor What Is Evil *by Jason T Carter*

To "abhor" is to "regard with disgust and hatred." This is how God sees sin, and it must be how we see sin as well.

Christians have long opposed abortion, seeing it as the murder of an innocent, defenseless human being. The New York state legislature recently passed a law that allows abortions after 24 weeks if the mother's health is at risk. Certainly there are difficult decisions that need to be made by some in such cases, but there is a fear that the law can be manipulated and interpreted too broadly. One does not have to scroll through their Facebook feed very long to see several posts, editorial cartoons, and links to articles about the evils of abortion.

There is no doubt, per Romans 12:9, that we are to "abhor what is evil," and that certainly includes abortion. Yet, how do we approach this and other subjects in our interactions with others? Do our words, either online or in person, do more harm than good? There are many in the world that have been deceived by people they trust, taught to ac-

cept things that Christians find unconscionable. If we verbally attack them, more times than not they will simply dig in and defend their position regardless of any argument presented.

Consider the approach God commands in Galatians 6:1 - "in a spirit of gentleness." Think about the Facebook posts and interactions you have witnessed over the past week concerning abortion. How many times would you say the godly position was presented "in a spirit of gentleness"?

What we say absolutely matters, make no mistake about it! Should we oppose the evil of abortion? Of course we should! However, we need to be certain how we say it does not hinder our neighbor's acceptance of the truth. Be gentle and patient and kind while being steadfast and uncompromising in God's Word.

May we always be those who "abhor what is evil" while we seek to guide the erring toward God's truth in gentleness. We must abhor the sin, but see the soul as precious to and wanted by the Almighty.

MISSIONARY UPDATE: VELAPHI MELANGANI

DECEMBER 2018 REPORT. PART 1

Report from Velaphi

Brother Grady Miller talks about the Great Commission in the Voice of Truth International volume three. He says : "The work of evangelism is a task for all the church since we all have different abilities (Matthew 25 and I Cor 12)." This means that sowing the seed of the kingdom, declaring the name of Jesus and pointing the lost to the Savior, is a responsibility for each member of the congregation. " We must all lift up Jesus in every way that we can." This is exactly what we are aiming at this year. We are encouraging every congregation and every member of the church to be responsible in winning the lost using the

World Bible School study materials. We are building strong bonds between students and congregations. We feel that this way congregations will grow.

Baptisms

We are happy to inform you that during this period , four souls were baptized and added to the Lord's body. May the Lord receive all praise!

Christmas Holiday

Zimbabwe is a Christian nation and it acknowledges this Christmas day. The Bible does not talk about Christmas. But we are happy that this day reminds everyone about the great love of God of sending His Son to die

for the sinful world. This is an acknowledgment by the whole world that Christ existed and is alive. This is also a time when Christian and non Christian families come together and rejoice. This reminds me of a song which says: " Joy to the world the Lord is born". Do you realize that it is not Christmas alone which proves the existence of Christ but we count our modern years /time from his birth : 2018 AD (Anno Domini) meaning in the year of our Lord? Before Christ was born, they counted their years as BC meaning Before Christ e.g. 44BC. Yes, let us praise His name. He is alive!
