**Afraid, Astonished and Offended by Tim Dooley**

The story of the Maniac of Gadara has always amazed me. Here is a man that was so crazed and powerful that he could not be tamed or controlled, even with chains. The amazing thing though was that the men of that country did not seem to be afraid of him, rather, they were annoyed. So they tried, time and again, to bind him. When Jesus shows up the demons within the man are cast out into the swine who are subsequently destroyed, now here is the amazing thing, "Then they came to Jesus, and saw the one who had been demon-possessed and had the legion, sitting and clothed and in his right mind. And they were afraid" (Mark 5:15). Why were they afraid? In chapter six the

woman with an issue of blood was afraid when she was healed. Herod was afraid when he supposed that John was risen from the dead. The disciples were afraid when they saw Jesus walking on the water. Because of Jesus many were astonished and offended.

This is true even today! A lack of knowledge and sin will cause us to be afraid of that for which we have no need to be afraid. Come to know Jesus, obey him, be faithful to him, and know that "There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love" (1 John 4:18). [Tim]

#### Leadership Workshop

Leaders interact with different people of all walks of life. This is why it is always important to meet with each other and sharpen our leadership and communication skills. Brother Isaiah who is one of the elders at Bulawayo Central led the discussion on five principles of worship. We also looked at areas we should improve in overall church leadership.

#### Workshop for preachers and their wives

As we entered 2018, we thought it was wise for us to meet and chart the way forward on how we were going to spread the Gospel. We are happy that our brothers and sisters recognized the pivotal role which the World Bible School contributes to the growth of the church in Zimbabwe. Therefore as one of the ways of preaching to all people, we agreed to involve interested parties in all congregations in teaching the lost using WBS study materials. This means that Christians in various congregations will be responsible in distributing WBS Courses and be responsible in making follow ups. Thus we shall

at the same time teach Christians to be soul winners.

#### Zimbabwe Economy

The United States ambassador to Zimbabwe Mr Harry Thomas Jr says his office is being inundated with requests from Americans wanting to come to do business in the country. He says American delegations are expected in the coming weeks. "We will have visitors from the White House here during this month bringing a multi-agency delegation. We will have congressmen and senators here in March, April and May including church delegations", said Ambassador Thomas. This points out that Zimbabwe is heading towards the right direction politically and economically. We pray and trust that the impending elections will be free and fair and usher in a new democratic dispensation.

#### Conclusion

This is just a summary of the Lord's work during the month of January 2018. Thank you very much for your great support. May our good Lord bless you all! Velaphi
