Why Should We Earnestly Contend for the Faith *by Tim Dooley*

Jude instructs the Christian to earnestly contend for the faith that was once and for all times delivered unto us. Why is this so important? The doctrines of mankind confuse, divide, and lead men further away from the Lord and Heaven. But the teaching of the Holy Spirit is clear, unifying, and leads to righteous living and eternal life. Evil men creep into the church in order to fulfill their own lusts and draw people away from the Lord. The *false teacher* does not often stand up and announce his presence and intent. They are wolves in sheep's clothing.

Jude gives three examples of those who *fell away*. Those who were destroyed because of their failure to adhere to God's will (the Israel-

ites, the angels, and Sodom and Gomorrah). Those whose character was *foreign* to Christ-likeness. And those who murmured, complained, lusted, boasted, and were proud, more worried about pleasing men than pleasing God. Sounds very much like some in the church even today, doesn't it?

So, Jude urges *faithfulness*. Keep yourselves, look for the mercy of Jesus unto eternal life, have compassion, make a difference in other people's lives, pull the lost out of the fires of hell, and hate sinful defilement. Know that God is able to keep you from falling (which wouldn't be necessary if you couldn't fall away). So earnestly contend for the faith and be faithful. [Tim]

MISSIONARY UPDATE: VELAPHI MELANGANI

Please note that a second stem cell therapy was done on Lithule yesterday. Stella says doctors are now removing a catheter which was inserted on her which was used for dialysis and other medication. They are now monitoring her response to this medication. Early indications though are showing that she is responding well to this treatment. Doctors are treating her but God is healing her! Thank you so much for your prayers but please continue praying for Lithule. She and Stella might come back before the end of next

month.
 The attached picture shows Lithule on the right discussing with her younger sister Lungile at the airport in Johannesburg when she left for China with Stella some few weeks ago.
