We're glad that you were able to join us this morning in worship to God. Please let us know if you have questions we can answer and also let us know how we can serve you!

GOSPEL RESPONSES

We rejoice with angels that Emily Turner came forward last Sunday requesting prayers and forgiveness for things that she has done wrong and for un-truths that she has spoken. We're proud of Emily for her desire to be right with God. Gerry and Jennifer Leas also responded to the invitation requesting prayers for their family as they work through trials and overcome deep hurts.

GOSPEL MEETING APRIL 24-27 FLYERS IN FOYER

Just Because We Don't Know... *By Jason T Carter*

Brother Wayne Jackson once wrote an article in which he stated, "As far as I am able to determine, medical science has yet to find out any purpose for the appendix." Since that article was written, some evidence has come to light showing that the appendix plays a role in the function of the human immune system.

So what? Just because we don't (or didn't) know the exact reason for the appendix, it doesn't mean there is no reason for it. Likewise, in the body of Christ, the fruits of one's labors may not be evident to us, but that doesn't mean they are not laboring.

There are many who do their work in the kingdom behind the scenes, privately encouraging those who need encouragement through cards, calls, and visits. It would be foolish to suggest that such things are not needed, or that those who perform such tasks are not important in the kingdom of Christ.

Just as the different members of our physical bodies have different functions, so the different members of the spiritual body of Christ have different functions. Not everyone serves in a public way as an elder, or a deacon, or a Bible class teacher—but everyone must function in some way! Consider carefully Paul's words in 1 Corinthians 12:21-22, and respect and support your fellow workers in their tasks.

Always keep in mind that what you do, even if it is not seen by men, is seen by God. "For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil" (Ecclesiastes 12:14). For this reason, we should be diligent in our service for the Lord. "And let us not be weary in well doing: for in due season we shall reap, if we faint not" (Galatians 6:9).

Whether you are a hand, a foot, an eye, an ear, or even an appendix, you do have an important function in the body of Christ. Be sure you are fulfilling your duty.

## MISSIONARY UPDATE: VELAPHI MELANGANI

This past weekend, we worked like beavers. On Saturday, we conducted a leadership seminar at Dando in Nyamandlovu about 60kms west of Bulawayo. Several church leaders attended. Lessons were delivered by Siphon, Dumisani and Velaphi.

The discussions included: 'qualifications of an elder, pitfalls of a preacher and how to do personal work. We shall move on to congregations in Matebeleland South. Then this morning, we woke up at

5am and drove for more than 100kms south of Bulawayo for the burial of Jacob's mother-in-law. Funeral sermons were conducted by Siphon and Velaphi. We read from Psalm 89:48; John 5:28ff and Rev. 21:1-4.

When we arrived back home, it was raining heavily in Bulawayo and we glorified God!

In His service,  
Velaphi
