## Fair Weather Followers *by Jason Carter*

The Oakland A's were the best team in baseball in 1972, defeating the Reds four games to three in the World Series. Returning to the airport in Oakland after the deciding game in Cincinnati, the team was greeted by a throng of adoring "fans." The players, however, said it was the first time some of them had seen the team in person. Third baseman Sal Bando said, "It was a madhouse. You couldn't walk through the place. The fans were hysterical. We wondered where they came from, because they'd never been at the ballpark."

How will Christ react to His many adoring "followers" when He returns? Jesus said, "Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven. Many will say to me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness'" (Matthew

7:21-23).

Oakland's attendance in 1972 was just under one million, 14th among the 24 major league teams. A championship team should not be in the bottom half in attendance, but it seems that the people of Oakland just didn't expect the A's to continue winning.

"Fair weather fans" will root with all their might when their team is winning, but switch allegiance as soon as there is trouble on the field. Sadly, the same is true in many congregations. "Fair weather followers" will never miss a worship service while they agree with the elders and preachers, but as soon as they feel someone stepping on their toes, their fidelity falters. Their attendance slips, they miss opportunities for fellowship, and may even start badmouthing the church to their friends.

When things aren't going well, when temptations hit harder, when we feel all alone—that's when we need the church the most. Work on developing a faith like those in Hebrews 11; don't be a "fair weather follower."

## MISSIONARY UPDATE: VELAPHI MELANGANI

Beloved in the Lord,

It is with great happiness to tell you that our daughter Lithule was discharged from hospital and is back home. The doctors in China had planned to keep her until next week but because of her quick recovery, they discharged her early. She has been responding well to all the treatment she got. Her kidney function has improved from 13% to 30%. Doctors believe that if she continues with her medication, her kidney function will reach 40% soon. Good news indeed for all of us! We thank the Elders at Rainbow for the pivotal role they played in supporting Lithule financially so that she

could get treatment in China. We thank brother Dorian and Cheri as well for their financial support. May the good Lord bless you all for your great donations at the right time. We appreciate your love and care. The attached pictures show her medication which she brought from China, Christians at Benoni Church of Christ congratulating her before the worship service and her husband worshipping. Great indeed! Thank you very much and may the good Lord bless you.

In His service  
 Velaphi
