She Invited a Friend by David Shannon

This is the true story of a four-year old girl. Each Sunday morning and Wednesday night a little girl named Becky would skip out her front door and over to the next door with a tender knock. Becky's question was simply, "Can Denise come to church with us today?" Most of the time the answer was yes. The invitations continued. But one day something was different, Becky made her Sunday morning journey next door, but the answer was no! But the words that followed were music to the ears. "No" the father answered, "Denise will be going with us this morning. We will see you at church services, Miss Becky." The family visited, studies followed, and Denise's mother and father were baptized into Christ!

What is the magic, the mystery, the awe? There is none! Just an invitation given over and over! Some things we make too hard. Some of the easiest things in life we conjure up in difficult messes. Some want sophisticated mail-outs to do it for us! Some sadly enough don't care. Please understand, the benefits of mail-outs, programs,

and other avenues are wonderful when used wisely. But nothing dismisses our personal responsibility to invite folks! Who? My neighbor, postman, doctor, mechanic, coach, teacher, friend, parent, child, uncle, aunt, co-worker, partner, boss, banker, and on and on!

Once Jesus freed a young man of some demons. As a result, the young man was dramatically changed. Obviously he was grateful. He wanted to go with Jesus, perhaps in an effort to repay Him. Jesus' answer spans the generations and applies to us also. He stood by the ship refusing to let the young man go along and said, "Go home to your friends, and tell them what great things the Lord has done for you, and how He has had compassion on you" (Mark 5:19).

She was only four. All she did was invite. Heaven will be greater for it.

MISSIONARY UPDATE: VELAPHI MELANGANI

MARCH 2018 MONTHLY REPORT: PART 2

Leadership Workshop

During the month in review, we had a church leadership workshop at Mtshabezi in Matabeleland South. Leadership can generally be defined as someone providing "guidance, going before, showing the way or giving direction". Therefore we find it incumbent upon us to train church leaders so that the Lord's church remains on track in terms of doctrine and growth. Remember the apostle Paul warned that selfish, poor and ignorant church leadership can be detrimental to the church Acts 20:30. We are happy that this workshop was attended by many men from various congregations in that district.

Preaching Trips

The Lord provided us with numerous opportunities of reaching out with the Gospel truth to many rural areas. We are happy that Zimbabwe still encourages freedom of worship. Therefore, we are preaching the Gospel everywhere unhindered.

Funerals

We had several brothers and sisters called home by the Lord in March 2018. We comforted the bereaved and urged mourners to surrender their lives to the Lord and prepare for the great Day (Heb 9:27).

Malawi International Gospel Meeting

The Lord's church is alive in Africa. It will never die. Almost 2,000 Christians from all over Africa

attended this Gospel Meeting. The theme was: The church at Ephesus like us. Rev 2:1ff. Numerous biblical topics were discussed including issues which affect the church today. Lord willing, a similar meeting will be held in Zimbabwe next year. II Thess3:1.

Conclusion

This is just a summary of many things which we did for the Lord during the month in review. We thank you our brothers and sisters for your unflinching love and support without which we could not do much. Thank you very much. May our bond in the Lord's work grow stronger every day so that God may ever be glorified.

In His service, Velaphi & Stella
