The Sons of God (1 John 3-5) by Tim Dooley

What does it mean to be a child of God? It means being a part of his family (the church) and enjoying all the blessings that come with that privilege. When one becomes a Christian God adopts them into his family. The price of the adoption was paid for with the blood of Christ. As His children then, we have a place at his table, but the continued blessings (and an ultimate receiving of the inheritance) of being His child require certain things of us. John tells us that the child of God:

- Purifies himself
- Does not sin

- Is not deceived
- Does righteousness
- Loves their brothers
- Cares for his brothers
- Keeps his commands.

This tall order is fulfilled in faithful, daily, Christian living. Using every opportunity to serve God and each other. This is all possible because He that is in us is stronger than he that is in the world. Be not afraid and keep His commands, knowing and enjoying the blessings of being the sons of God. Be faithful. [Tim]

MISSIONARY UPDATE: VELAPHI MELANGANI

Brother Gideon Dube who preaches at Ntabazinduna phoned at 2pm and informed us that the roof of their church building was all blown away by a very strong whirlwind. We rushed to the scene and realized there was not a single corrugated iron sheet remaining on the roof. Some sheets lay twisted around this building some near others far away from the building. See pictures. We went there with a carpenter Mr Mike Mpofu so that he could assess the damage and see how we can help fix this roof. We will let you know how much they will need to fix this roof. We helped them build it.

In His service
 Velaphi
