**Inside this issue:**

**Do It Now (Mark 1-4) by Tim Dooley**

There is a book by author Brian Tracy entitled, "Eat That Frog!: 21 Great Ways to Stop Procrastinating and Get More Done in Less Time." The idea is that there are a lot of things in life that we have to do and that we don't want to do. The longer that "live frog" sits there on the plate uneaten the less productive you will be.

Read through the first few chapters of the book of Mark and see how many times you notice the adverbs immediately or straightway. People often put off doing today what they need to do. Maybe it is asking someone for forgiveness, admitting we were

wrong, stopping some sinful or wasteful habit. None of that tastes good and is often unpleasant. But is absolutely necessary for us to become more productive and to grow as God's children.

Maybe you need to repent of sin and ask God to forgive you. Maybe you need to obey the gospel and be baptized. Former Ohio State football coach Jim Tressel used to say, "You do what you have to do so you can do what you want to do." What are you waiting for? Do it now, eat that frog! Obey God and be faithful! [Tim]

## MISSIONARY UPDATE: VELAPHI MELANGANI

11/15/2017

Brother John

Thank you very much my brother for writing and concern about our country. Yes, Zimbabwe is currently on edge. President Mugabe is under house arrest and the military is now in control. We are in limbo as to what will happen next. The army says it is intervening to stop the economic suffering which Zimbabweans are going through. We need your prayers desperately. Guess what? All this chaos happened when Stella and I were crossing the border to South Africa for medical check up. We will return when things stabilise. Shall keep you posted.

In His service

11/19/2017

Beloved in the Lord,

Stella and I arrived safely back home. However we were met by thousands of people both black and white demonstrating peacefully against Mugabe and demanding that he should go. Latest developments are that his party has

expelled him and also demanded that he should resign. However yesterday He was aloud to appear on television and he refused to resign. Parliament will therefore begin the impeachment process. The country is still peaceful and I will keep on updating you. Please pray that transition which is inevitable be peaceful.

In His service

Velaphi

PLEASE CONTINUE TO REMEMBER THE PEOPLE OF ZIMBABWE IN YOUR PRAYERS BECAUSE OF THE POLITICAL UNREST THAT CONTINUES IN THAT COUNTRY.
