A New Beginning *by Tim Dooley*

Following the ascension of Jesus, the disciples, having been instructed by the Lord to wait in Jerusalem, knew that the work was just now beginning. They were commanded to wait for the promise of the Spirit to come and to be prepared to take the Good News of salvation unto the whole world. Matthias is chosen to replace the treasonous Judas. And in chapter two we have the fulfillment of Old Testament prophecy as well as the promise Jesus had made to send the comforter. Beginning with the Jews on the Day of Pentecost a new beginning was offered to all those who would call on the name of the Lord. The church is opened and thousands of souls are welcomed in.

When a person believes and obeys the Good News of Jesus God makes him a new creature with a new life and a new hope. The longsuffer-

ing of God also provides for us each day an opportunity to begin anew again. Each time we stumble and fall and get back on our feet again we have a reset, a renewal, a fresh start. As we close out 2016 it is wise for us to consider our lives in light of God's Word as well as Christ's love and example. 2017 offers a new beginning to all of us. We have endured much, grown, prepared more, and even fallen short. We do not know what 2017 has in store for us but know that we can bring glory to God and He will in turn glorify us and fill this house with glory. It is exciting!

Thank God for the hope we have in Christ. Let us live each day of the new year with a heart of renewal and repentance. Begin each day with a prayer of thanksgiving and a determination to make this new day a new beginning. [Tim]

MISSIONARY UPDATE: VELAPHI MELANGANI

Food Relief

We continued distributing food to the needy at McDonald and Red Bank congregations respectively. The recipients of this food aid were very grateful indeed. They requested that we say to our loving brothers and sisters who helped them: "thank you very much! May our good Lord give you more blessings for showing us your won-

derful love". We continue to receive requests for food from our brothers and sisters in the rural areas especially from Binga. When rural farmers start working their fields as it is at present, this is the critical time when they need food to sustain them in planting their fields.
